(hh) Health, Safety and Welfare. In the event additional uses, activities and facilities are deemed by the Design Review Committee to be a nuisance or to adversely affect the health, safety or welfare of Owners and Residents, the Design Review Committee may make rules restricting or regulating their presence on Eagle Bend West Subdivision as part of the architectural rules and guidelines.

(ii) Leases. In order to prevent transient occupancy of Lots and/or Dwelling Units, any lease agreement between an Owner and a lessee respecting a Lot or Dwelling Unit shall be in writing and shall be subject in all respects to the provisions of the Declaration, the Articles and Bylaws. Other than the foregoing, there is no restriction on the right of any Owner to lease its Lot

(ll) Pollution. In the interest of public health and sanitation, and so that Eagle Bend West Subdivision may be benefitted by a decrease in hazards of stream pollution and fire, and by the protection of water supplies and wildlife, no Owner shall use any Lot for any purpose that would result in the pollution of any waterway that flows through or adjacent to such Lot or Community Areas by refuse, sewage or other material that might tend to pollute the water of any such stream or streams or otherwise impair the ecological balance of the surrounding lands.

(mm) No Hazardous Activities. No hazardous activities shall be conducted on any Lot or the Community Areas. No open fires shall be lighted or permitted on a Lot or the Community Areas, but fires shall be permitted on a Lot only in a contained barbecue unit well attended and in use for cooking purposes or within a safe and well-designed fireplace or firepit.

(qq) Disclaimer Regarding Fire and Police Protection. Each Owner who purchases a Lot acknowledges that Eagle Bend West Subdivision is located in an area of Flathead County, Montana, where the level of police and fire protection, as well as other public services, is less than would be available in a more populated or more highly developed area. Each Owner assumes the risk of less responsive municipal services including police protection, fire protection and delivery of emergency medical services. The Association shall not have any liability to the Owners and Residents as a result of any delay or failure of any person or entity to provide adequate or timely fire protection, police protection, emergency medical and other similar services to the Owners.

Section 2. Variances. Subject to the provisions of the Design Guidelines, the Design Review Committee may, at its option and in extenuating circumstances, grant variances from the restrictions set forth in this Article or if the Design Review Committee determines in its discretion (a) either (i) that a restriction would create an unreasonable hardship or burden on an Owner or (ii) that a change of circumstances since the recordation of the Declaration has rendered such restriction obsolete and (b) that the activity permitted under the variance will not have any material adverse effect on the Owners and Residents of Eagle Bend West Subdivision and is consistent with the high quality of life intended for Owners and Residents of Eagle Bend West Subdivision.

ARTICLE V

- (b) preparing and administering an operational budget;
- (c) establishing and administering an adequate reserve fund;

The Board shall not, however, be responsible for those duties and areas of operation specifically designated under the Declaration, the Articles, the Bylaws or the Eagle Bend West Subdivision Rules as the responsibility of the Design Review Committee.

Section 3. The Eagle Bend West Subdivision Rules. By a majority vote, the Board may, from time to time and subject to the provisions of the Declaration, adopt, amend and repeal rules and regulations to be known as the Eagle Bend West Subdivision Rules. The Eagle Bend West Subdivision Rules may restrict and govern the use of any area by any Owner or Resident; provided, however, that the Eagle Bend West Subdivision Rules shall not discriminate among Owners and shall not be inconsistent with the Declaration, the Articles or the Bylaws.

Section 4. Personal Liability. No member of the Board or of any committee of the Association (including but not limited to the Design Review Committee), no officer of the Association and no Manager or other employee of the Association shall be personally liable to any Member or to any other person, including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error or negligence of the Association, the Board, the Manager, any representative or employee of the Association or any committee, committee member or officer of the Association; provided, however, the limitations set forth in this Section 4 of Article V shall not apply to any person who has failed to act in good faith or has engaged in willful or intentional misconduct.

Section 5. Professional Management. The Association may carry out through the Manager those of its functions which are properly subject to delegation. The Manager so engaged shall be an independent contractor and not an agent or employee of the Association, shall be responsible for managing Eagle Bend West Subdivision for the benefit of the Association and the Owners, and shall, to the extent permitted by law and by the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself.

ARTICLE VI

MEMBERSHIPS AND VOTING

Section 1. Owners of Lots. Every Owner of a Lot which is subject to assessment shall be a Member of the Association. Each such Owner shall have one Membership for each Lot owned by the Member. Upon recordation of this Restated Declaration, there are fifty-eight (58) Lots in Eagle Bend West Re-subdivision of Lots 1 and 2.

Each such Membership shall be appurtenant to and may not be separated from Ownership of the Lot to which the Membership is attributable. There shall be only one Membership for each Lot which Memberships shall be shared by any joint owners of, or owners of undivided interests in a Lot.

Section 2. Voting. The Association shall have one class of voting Memberships:

Each Owner shall have one vote for each Membership held by the Owner, subject to the authority of the Board to suspend the voting rights of the Owner for violations of the Declaration in accordance with the provisions hereof.

Section 3. Right to Vote. No change in the ownership of a Membership shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided satisfactory proof thereof. The vote for each such Membership must be cast as a unit; fractional votes shall not be allowed. In the event that a Membership is owned by more than one person or entity and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, their vote on the matter in question shall be determined by majority vote of such Owners. If any Member casts a vote representing a certain Membership, it will thereafter be conclusively presumed for all purposes that such Member was acting with the authority and consent of all other owners of the same Membership unless objection thereto is made at the time the vote is cast.

Section 4. Cumulative Voting for Board Members. In any election of the members of the Board, every owner of a Membership entitled to vote at such an election shall have the number of votes for each Membership equal to the number of directors to be elected. Each Member shall have the right to cumulate its votes for one candidate or to divide such votes among any number of the candidates. The candidates receiving the

highest number of votes, up to the number of the Board members to be elected, shall be deemed elected.

Section 5. Membership Rights. Each Member shall have the rights, duties and obligations set forth in the Declaration and such other rights, duties and obligations as are set forth in the Articles and Bylaws, as the same may be amended from time to time.

Section 6. Transfer of Membership. The rights and obligations of the owner of a Membership in the Association shall not be assigned, transferred, pledged, designated, conveyed or alienated in any way except upon transfer of ownership to an Owner's Lot and then only to the transferee of ownership to the Lot. A transfer of ownership to a Lot may be effected by deed, intestate succession, testamentary disposition, foreclosure of a Mortgage or such other legal process as now in effect or as may hereafter be established under or pursuant to the laws of the State of Montana. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership to a Lot shall operate to transfer the Membership(s) appurtenant to said Lot to the new Owner thereof.

ARTICLE VII

COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

Section 1. Creation of Lien and Personal Obligation of Assessments and Maintenance Charges. Each Owner by acceptance of a deed or other conveyance of a Lot (whether or not it shall be so expressed in such deed or conveyance) is deemed to covenant and agree, to pay to the Association the following assessments and charges: (1) Annual Assessments established by this Article VII, (2) Special Assessments for capital improvements or other extraordinary expenses or costs established by this Article VII, and (3) Maintenance Charges established by Article X, Sections 2 and 5. All such Assessments shall be established and collected as hereinafter provided. The Annual Assessments, Special Assessments and Maintenance Charges together with interest, costs and reasonable attorney's fees, shall be a charge on the Lot and shall be a continuing servitude and lien upon the Lot against which each such Assessment is made. The Annual and Special Assessments against each Lot shall be based on a pro rata share per Lot as described in Section 3 hereof. Each such Annual and Special Assessment and Maintenance Charge, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the Assessment fell due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them.

Section 2. Annual Assessments. Annual Assessments shall be computed and assessed against all Lots as follows:

(a) Community Expenses. Annual assessments shall be based upon advance estimates of the Association's cash requirements to provide for payment of all

estimated expenses arising out of or connected with the maintenance and operation of the Community Areas and operating the Association and maintenance of Offsite Water Features and Water Resources. Such estimated expenses may include, without limitation, the following: Expenses of management; real property taxes and special assessments (unless and until the Lots are separately assessed); premiums for all insurance that the Association is required or permitted to maintain hereunder; repairs and maintenance ; wages of Association employees, including fees for a Manager; utility charges; legal and accounting fees; any deficit remaining from a previous period; creation of an adequate contingency reserve, major maintenance reserve and/or sinking fund; creation of an adequate reserve fund for maintenance, repairs, and replacement of those Community Areas, Offsite Water Features and Water Resources that must be replaced on a periodic basis; and any other expenses and liabilities which may be incurred by the Association to the benefit of the Members under or by reason of the Declaration. Such shall constitute the Community Expense, and all funds received from assessments under this Section 2(a) shall be part of the Community Expense Fund. Two separate and distinct funds shall be created and maintained hereunder, one for operating expenses and one for capital expenses which together shall constitute the Community Expense Fund.

(b) Apportionment. Community Expenses shall be apportioned among and assessed to Owners of all Lots equally in accordance with Section 3 of this Article VII

(c) Annual Budget. Annual Assessments shall be determined on the basis of a fiscal year beginning January 1 and ending December 31. On or before November 1 of each year the Board shall prepare and furnish to each Member, or cause to be prepared and furnished to each Member, an operating budget for the upcoming fiscal year. The budget shall itemize the estimated Community Expenses for such fiscal year, anticipated receipts (if any) and any deficit or surplus from the prior operating period. The budget shall serve as the supporting document for the Annual Assessment for the upcoming fiscal year and as the major guideline under which Eagle Bend West Subdivision shall be operated during such annual period.

(d) Notice and Payment. Except with respect to the first fiscal year, the Board shall notify each Owner in writing as to the amount of the Annual Assessment against his or her Lot on or before December 1 each year for the fiscal year beginning on January 1 next following. Except as otherwise provided by the Board, each Annual Assessment shall be payable in twelve equal monthly installments, one such installment due on the first day of each calendar month during the fiscal year to which the assessment relates; provided, however, the Annual Assessment for the first fiscal year shall be based upon such portion of the first fiscal Year remaining from and after the date an Owner signs an agreement to purchase a Lot. Members shall commence payment of the full monthly assessments against their respective Lots upon conveyance of the Lot in Eagle Bend West Subdivision regardless of whether a Dwelling Unit has been constructed thereon on such Member's Lot. All unpaid installments of any Annual Assessment shall bear interest at

the rate established by the Board not to exceed eighteen percent (18%) per annum fifteen (15) days after the date each such installment became due until paid and the Member shall be liable for all costs, including attorneys' fees incurred by the Association in collecting the same. In addition, in the event that any installment of the Annual Assessment is not paid within fifteen (15) days of the date such installment becomes due, the Association may, at its option, and upon fifteen (15) days prior written notice to the Member, accelerate the due date for all remaining unpaid installments of the Annual Assessment for the remainder of the fiscal year and all accrued but unpaid interest thereon. Payment of the Annual Assessment installments so accelerated shall be due at the expiration of said fifteen (15) day notice period and interest shall accrue on the entire sum at the rate established by the Board not to exceed eighteen percent (18%) per annum from such date until paid in full. The failure of the Board to give timely notice of any Annual Assessment as provided herein shall not be deemed a waiver or modification in any respect of the provisions of the Declaration, or a release of any Member from the obligation to pay such assessment or any other assessment; but the date when the payment shall become due in such case shall be deferred to a date fifteen (15) days after notice of such assessment shall have been given to the Member in the manner provided in the Declaration.

(e) Inadequate Funds. In the event that the Community Expense Fund proves inadequate at any time for whatever reason, including nonpayment of any Member's assessment, the Board may, on behalf of the Association, levy special Assessments in accordance with the procedure set forth in Article VII, Section 4 below, except that the vote therein specified shall be unnecessary.

Section 3. Uniform Rate of Assessment. The amount of any Annual or Special Assessment against each Lot shall be fixed at a uniform rate per Lot. For purposes of Assessment, each Lot shall be assessed equally a pro rata portion of the Community Expenses.

Section 4. Special Assessments for Capital Improvements and Extraordinary Expenses. In addition to the Annual Assessments authorized above, the Association may levy, in any Assessment Period, a Special Assessment applicable to that period only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Association Land or other Community Areas, including fixtures and personal property related thereto, or for the purpose of defraying other extraordinary expenses, provided that any such assessment shall have the assent of sixty-seven percent (67%) of the votes of the Members who are voting in person or by proxy at a meeting duly called for such purpose or by written approval of sixty-seven percent (67%) of the Members. The provisions of this Section are not intended to preclude or limit the assessment, collection or use of Annual Assessments for the aforesaid purposes.

Section 5. Notice and Quorum for Any Action Authorized Under Section 4. Written notice of any meeting mailed for the purpose of taking any action authorized under

Section 4 of this Article shall be sent to all Members no less than thirty (30) days nor more than sixty (60) days in advance of the meeting. The presence of Members or of proxies entitled to cast twenty-five percent (25%) of all the votes (exclusive of suspended voting rights) of the Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Establishment of Assessment Period. The period for which the Annual Assessment is to be levied (the "Assessment Period") shall be the calendar year. The Board in its sole discretion from time to time may change the Assessment Period by written notice to the Owners specifying the new Assessment Period.

Section 7. Rules Regarding Billing and Collection Procedures. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making the Assessments provided herein and for the billing and collection of the Annual Assessments, Special Assessments and the Maintenance Charges imposed pursuant to Article X, Sections 2 and 5, provided that said procedures are not inconsistent with the provisions hereof. The failure of the Association to send a bill to a Member shall not relieve any Member of its liability for any Assessment or charge under the Declaration, but the Assessment Lien therefor shall not be foreclosed or otherwise enforced until the Member has been given not less than fifteen (15) days written notice prior to such foreclosure or enforcement, at the address of the Member on the records of the Association, that the Assessment or any installment thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after the delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Membership changes during an Assessment Period; successor Owners of Lots shall be given credit for prepayments, on a prorated basis, made by prior Owners. In case the Owner of a Membership becomes liable for payment of an increased sum pursuant to this Article during the Assessment Period, the Owner shall notify the Association but its failure to notify the Association shall not relieve such Owner of the liability for such amounts.

Section 8. Reserves and Working Capital. The Association shall establish the following funds:

(a) Community Reserve Fund. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Community Area the Association may be obligated to maintain, repair or replace. The reserve fund shall be maintained out of Annual Assessments for Community Expenses.

(b) Working Capital Fund. There shall be established a working capital fund equal to at least two monthly installments of the Annual Assessment for each Lot. Each Lot's share of the working capital fund must be collected and transferred to the Association at the time of the closing of sale of that Lot. The working capital fund must be maintained in a segregated account for the use and benefit of the Association. The purpose of the working capital fund is to ensure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Association. Amounts paid into the working capital fund are not to be considered advance payments of any regular Assessment. The working capital fund shall be transferred to the Association for deposit to a segregated fund when control of the Association is transferred to the Owners.

Section 9. Evidence of Payment of Annual Assessments, Special Assessments and Maintenance Charges. Upon receipt of a written request by a Member or any other person, the Association within a reasonable period of time thereafter shall issue to such Member or other person a written certificate stating (a) that all Annual Assessments, Special Assessments and Maintenance Charges (including interest, costs and attorneys' fees, if any, as provided in Sections 2 and 3 above) have been paid with respect to any specified Lot as of the date of such certificate, or (b) if all Annual Assessments, Special Assessments and Maintenance Charges have not been paid, the amount of such Assessments (including interest, costs and attorneys' fees, if any) due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matter therein stated as against any bona fide purchaser of, or Mortgagee on, the Lot in question.

Section 10. Property Exempted from the Annual Assessments, Special Assessments and Assessment Lien. Exempt Property shall be exempt from the assessment of the Annual Assessments and Special Assessments, but such property shall not be exempt from the Maintenance Charges provided for in Article X, Sections 2 and 5; from attorneys' fees, costs and expenses as described in Article XII, Section 2; or from the Assessment Lien to secure said Maintenance Charges, attorneys' fees, costs and expenses; provided, however, that in the event any change of ownership of Exempt Property results in all or any part thereof becoming assessable property in any year, the same thereupon shall be subject to the assessment of the Annual Assessments and Special Assessments (prorated as of the date it became assessable property) and the Assessment Lien.

ARTICLE VIII

ENFORCEMENT OF PAYMENT OF ANNUAL ASSESSMENTS,

SPECIAL ASSESSMENTS AND
MAINTENANCE CHARGES AND OF ASSESSMENT LIEN

Section 1. Association as Enforcing Body. The Association, as the agent and representative of the Members, shall have the exclusive right to enforce the provisions of the Declaration. However, if the Association shall fail or refuse to enforce the Declaration or any provision hereof for an unreasonable period of time after written request to do so, then any Member may enforce them at its own expense by any appropriate action, whether in law or in equity.

Section 2. Association's Remedies to Enforce Payment of Annual Assessments, Special Assessments and Maintenance Charges. If any Member fails to pay the Annual Assessment, Special Assessments or installments when due, or to pay Maintenance Charges assessed pursuant to Article X, Sections 2 and 5, the Association may enforce the payment of the Annual Assessments, Special Assessments, Maintenance Charges and/or Assessment Lien by taking either or both of the following actions, concurrently or separately (and by exercising either of the remedies hereinafter set forth, the Association does not prejudice or waive its right to exercise the other remedy):

(a) Bring an action at law and recover judgment against the Member personally obligated to pay the Annual Assessments, Special Assessments or the Maintenance Charges;

(b) Foreclose the Assessment Lien against the Lot in accordance with the then prevailing Montana law relating to the foreclosure of trust indentures (including the right to recover any deficiency) including by judicial action or by advertisement or any other means permitted by law, and the Lot may be redeemed after foreclosure sale if provided by law.

Notwithstanding subordination of an Assessment Lien as described in Section 3 of this Article VIII, the delinquent Member shall remain personally liable for the Assessments and related costs after its membership is terminated by foreclosure or deed in lieu of foreclosure or otherwise.

Section 3. Subordination of Assessment Lien to First Mortgage; Prior of Lien. The Assessment Lien provided for herein shall be subordinate to any First Mortgage and shall also be subject and subordinate to liens for taxes and other public charges which by applicable law are expressly made superior. Except as above provided, the Assessment Lien shall be superior to any and all charges, liens or encumbrances which hereafter in any manner may arise or be imposed upon each Lot. Sale or transfer of any Lot shall not affect the Assessment Lien; provided, however, that if the sale or transfer is pursuant to foreclosure of a First Mortgage to which the Assessment Lien is subordinate, or pursuant to any sale or proceeding in lieu thereof, the purchaser at the Mortgage foreclosure or deed of trust of sale, or any grantee taking by deed in lieu of foreclosure, shall take the Lot free

of the Assessment Lien for all Annual Assessments, Special Assessments and Maintenance Charges that have accrued up to the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure; provided, however, that such First Mortgage foreclosure sale purchaser or grantee shall take subject to all applicable Annual Assessments, Special Assessments, Maintenance Charges and the Assessment Lien therefor accruing subsequent to the date of issuance of a sheriff's or trustee's deed or deed given in lieu of foreclosure.

Section 4. Costs to be Borne by Member in Connection with Enforcement of Payment of Annual Assessments, Special Assessments and Maintenance Charges. In any action taken pursuant to Section 2 of this Article, the Member shall be personally liable for, and the Assessment Lien shall be deemed to secure the amount of, the Annual Assessments, Special Assessments and Maintenance Charges together with interest and the Association's collection costs and attorneys' fees, including those costs and fees specified in Article VII, Section 2.

ARTICLE IX

USE OF FUNDS; BORROWING POWER; OTHER ASSOCIATION DUTIES

Section 1. Purposes for Which Association's Funds May Be Used. The Association shall apply all funds and property collected and received by it (including the Annual Assessments, Special Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of Eagle Bend West Subdivision and the Owners and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever of any kind, all land, properties, improvements, facilities, services, projects, programs, studies and systems, within Eagle Bend West Subdivision, which may be necessary, desirable or beneficial to the general common interests of Eagle Bend West Subdivision, the Owners and the Residents. The following are some, but not all, of the areas in which the Association may seek to aid, promote and provide for such common benefit: maintenance of the Community Areas and public rights-of-way and drainage areas within Eagle Bend West Subdivision, recreation, liability insurance, communications, ownership and operation of storage areas, transportation, health, utilities, public services, safety and indemnification of officers and directors of the Association and payment of sums due, if any, under Municipal Authority Agreements. The Association also may expend its funds as permitted under the laws of the State of Montana.

Section 2. Borrowing Power. The Association may borrow money in such amounts, at such rates, upon such terms and security, and for such periods of time as is necessary or appropriate.

Section 3. Association's Rights in Spending Funds From Year to Year. The Association shall not be obligated to spend in any year all the sums received by it in such year (whether by way of Annual Assessments, Special Assessments, fees or otherwise), and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of Annual Assessment in the succeeding year if a surplus exists from a prior year and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

Section 4. Administration of Maintenance Charges. The Association is authorized to bill for, sue for, collect, administer and disburse all Maintenance Charges and the payment thereof shall be secured by the Assessment Lien.

Section 5. Reserve Funds. From the Annual Assessments received by the Association, the Board shall establish an adequate reserve fund for the maintenance, repair and replacement of the Community Areas.

ARTICLE X

MAINTENANCE

Section 1. Community Areas. The Association, or its duly delegated representative, shall maintain and otherwise manage all Community Areas, including, but not limited to, the Roadway System, the Water Resources, the Open Space Preserve, Landscaping, walkways, bridge, pavilion, recreational facilities and the buildings and structures, if any, located upon said properties. Specific areas to be maintained by the Association may be identified on the Master Development Plan or recorded Plats and in deeds from the Declarant to a transferee of a Lot, but the failure to so identify such areas shall not affect the Association's rights or responsibilities with respect to such Community Areas and other areas intended for the general benefit of Eagle Bend West Subdivision.

The Board shall use a reasonably high standard of care in providing for the repair, management and maintenance of said property so that the Eagle Bend West Subdivision will reflect a high grade of ownership. In this connection the Association may, subject to any applicable provisions on Special Assessments for capital improvements, and so long as maintenance of the Open Space Preserve is consistent with any applicable requirements set out by the Army Corps of Engineers, in the discretion of the Board:

(a) Reconstruct, repair, replace or refinish any improvement or portion thereof upon Association Land;

(b) Construct, reconstruct, repair, replace or refinish any road improvement or surface upon any portion of the Community Areas used as a road, trail, walk, driveway or parking area, except that no permanent Improvements shall be made by

the Association on any Community Area that is not Association Land and the Association shall provide only maintenance on any Community Areas which are not Association Land;

(c) Replace injured and diseased trees and other vegetation in any Community Area, and plant trees, shrubs and ground cover to the extent that the Board deems necessary for the conservation of water and soil and for aesthetic purposes;

(d) Place and maintain upon any Community area such signs as the Board may deem appropriate for the proper identification, use and regulation thereof;

(e) Provide services and maintenance including snow plowing, repair work, road, tree and vegetation maintenance, maintenance of riparian areas and water features, maintenance of any entrance monuments, maintenance and repair of all common amenities and any related required maintenance; and

(f) Do all such other and further acts which the Board deems necessary to preserve and protect the Community Areas and the beauty thereof, in accordance with the general purposes specified in the Declaration.

The Board shall be the sole judge as to the appropriate maintenance of all Community Areas and other properties maintained by the Association. Any cooperative action necessary or appropriate to the proper maintenance and upkeep of said properties shall be taken by the Board or by its duly delegated representative.

In the event any Plat, deed restriction or the Declaration permits the Board to determine whether or not Owners of certain Lots will be responsible for maintenance of certain Community Areas, Water Resources or public right-of-way areas, the Board shall have the sole discretion to determine whether or not it would be in the best interest of the Owners and Residents of Eagle Bend West Subdivision for the Association or for an individual Owner to be responsible for such maintenance, considering cost, uniformity of appearance, location and other factors deemed relevant by the Board. The Board may cause the Association to contract with others for the performance of the maintenance and other obligations of the Association under this Article X and, in order to promote uniformity and harmony of appearance, the Board may also cause the Association to contract to provide maintenance services to Owner, of Lots having such responsibilities in exchange for the payment of such fees as the Association and Owner may agree upon.

The Association may enter into a cost sharing agreement with owners of other real estate utilizing the Roadway System for access to and from such real estate.

Section 2. Assessment of Certain Costs of Maintenance and Repair of Community Areas. In the event that the need for maintenance or repair of Community Areas, structures and other property maintained by the Association is caused through the willful or negligent act of any Owner, Resident, or any family, guests, invitees or tenants

of such persons, the cost of such maintenance or repairs is a Maintenance Charge and shall be added to and become a part of the Assessment to which such Owner and the Owner's Lot is subject and shall be secured by the Assessment Lien. Any charges or fees to be paid by the Owner of a Lot pursuant to Section 1 of this Article X in connection with a contract entered into by the Association with an Owner for the performance of an Owner's maintenance responsibilities is a Maintenance Charge and shall also become a part of such Assessment and shall be secured by the Assessment Lien.

Section 3. Maintenance of Offsite Water Features. In order to comply with requirements set forth by the Army Corps of Engineers in connection with the approval of aspects of the Eagle Bend West Subdivision project, the Association or its duly delegated representative shall maintain the Offsite Water Features and the cost thereof shall be a Community Expense. The Association retains its easement over and across the Offsite Water Features Property to permit the Association to carry out this maintenance obligation.

Section 4. Maintenance of Water Resources. In order to comply with requirements set forth by Municipal Authorities in connection with the approval of aspects of the Eagle Bend West Subdivision, the Association or its duly delegated representative shall maintain the Water Resources and the cost thereof shall be a Community Expense. Each Owner of a Lot on which a Water Resource is located hereby grants the Association a reasonable easement over and across their Lot to permit the Association to carry out this maintenance obligation. Owners shall have no right hereby to access or utilize the Water Resources.

Section 5. Maintenance and Use of Residence Lots. Each Dwelling Unit, Improvement and the grounds on a Residence Lot shall be properly maintained by the Owner thereof so as not to detract from the appearance of Eagle Bend West Subdivision and so as not to affect adversely the value or use of any other Dwelling Unit, Improvement or Lot. In the event any portion of any Residence Lot is so maintained as to present a public or private nuisance, or as to substantially detract from the appearance or quality of the surrounding Lots or other areas of Eagle Bend West Subdivision which are substantially affected thereby or related thereto, or in the event any portion of a Residence Lot is being used in a manner which violates the Declaration or in the event the Owner of any Residence Lot is failing to perform any of its obligations under the Declaration, the Eagle Bend West Subdivision Rules or the Design Guidelines, the Board may by Resolution make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective action is taken within fourteen (14) days, the Board may cause such action to be taken at said Owner's cost. If, at the expiration of said 14-day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof is a Maintenance Charge and shall be added to and become a part of the Assessment to which the offending Owner and the Owner's Residence Lot is subject and shall be secured by the Assessment Lien.

ARTICLE XI

DESIGN REVIEW COMMITTEE

Section 1. Membership. There is hereby established a Design Review Committee (sometimes referred to as “Committee” herein) which shall be responsible for the establishment and administration of the Design Guidelines and to carry out all other responsibilities assigned to the Committee in order to carry out the purposes and intent of the Declaration. The Committee shall be composed of three (3) or five (5) persons (as determined by the Board), who need not be Members of the Association. At least one of the members of the Committee must be a Montana licensed architect. If no licensed architect volunteers, the Board may employ an architect for this purpose. All of the members of the Committee shall be appointed, removed, and replaced by the Board in its sole discretion.

Section 2. Purpose. The Committee shall review, study and either approve, reject or request resubmittal of proposed developments and Improvements to a Lot, all in compliance with the Declaration and as further set forth in the rules and regulations of the Committee and the Design Guidelines adopted and established from time to time by the Committee.

(a) The Committee shall exercise its best judgment to see that all Improvements conform and harmonize with any existing structures as to external design, quality and type of construction, materials, color, location on the Lot, height, grade and finished ground elevation, and all aesthetic considerations set forth in the Declaration or in the Design Guidelines.

(b) Consistent with Article IV, Section 1, no Improvements on a Lot shall be erected, placed or altered on any Lot nor shall any construction be commenced until plans for such improvement shall have been approved by the Committee; provided, however, that improvements and alterations which are completely within a Dwelling Unit may be undertaken without such approval.

(c) The actions of the Committee in the exercise of its discretion by its approval or disapproval of plans and other information submitted to it, or with respect to any other matter before it, shall be conclusive and binding on all interested parties subject to appeal as provided in the Bylaws.

Section 3. Organization and Operation of Committee.

(a) Term. The term of office of each member of the Committee, subject to Section 1 hereof, shall be three (3) years, commencing January 1 of each year, and continuing until its successor shall have been appointed. Should a Committee member die,

retire, become incapacitated, or in the event of a temporary absence of a member, a successor may be appointed as provided in Section 1 hereof.

(b) Chairman. The chairman shall be elected annually from among the members of the Committee by majority vote of said members.

(c) Operations. The chairman shall take charge of and conduct all meetings and shall provide for reasonable notice to each member of the Committee prior to any meeting. The notice shall set forth the time and place of the meeting, and notice may be waived by any member. In the absence of a chairman, the party responsible for appointing or electing the chairman may appoint or elect a successor, or if the absence is temporary, a temporary successor.

(d) Voting. The affirmative vote of a majority of the members of the Committee shall govern its actions and be the act of the Committee. A quorum shall consist of a majority of the members.

(e) Expert Consultation. The Committee may avail itself of technical and professional advice and consultants as it deems appropriate.

Section 4. Expenses. Except as provided below, all expenses of the Committee shall be paid by the Association. The Committee shall have the right to charge a fee for each application submitted to it for review, in an amount which may be established by the Committee from time to time, and such fees shall be collected by the Committee and remitted to the Association to help defray the expenses of the Committee's operation. The filing fee shall not exceed \$500 per Dwelling Unit, but may be subject to reasonable increase as determined by the Board on recommendation from the Committee.

Section 5. Design Guidelines and Rules. The Committee shall maintain Design Guidelines. A copy of the initial Design Guidelines was attached to the Original Declaration as Exhibit "A". The Design Guidelines define and describe the design standards for Eagle Bend West Subdivision and the various uses within Eagle Bend West Subdivision. The Design Guidelines may be modified or amended from time to time by the Committee, if also approved by the Board. To the extent permitted by the Design Guidelines, the Committee, in its sole discretion, may excuse compliance with such requirements as are not necessary or appropriate in specific situations and may permit compliance with different or alternative requirements. Compliance with the Eagle Bend West Subdivision design review process is not a substitute for compliance with applicable Municipal Authority building, zoning, and subdivision regulations and each Owner is responsible for obtaining, all approvals, licenses, and permits as may be required prior to obtaining final approval of any improvements from the Committee and prior to commencing construction.

Section 6. Procedure. As part of the Design Guidelines, the Committee shall make and publish such rules and regulations as it may deem appropriate to govern its proceedings. Appeals shall be conducted as provided in the Bylaws.

Section 7. Limitation of Liability. The Committee shall use reasonable judgment in accepting or disapproving all plans and specifications submitted to it. Neither the Committee, nor any individual Committee member, shall be liable to any person for any official act of the Committee in connection with submitted plans and specifications, except to the extent the Committee or any individual Committee member acted with malice or wrongful intent. Approval by the Committee does not necessarily assure approval by the appropriate Governmental Authority. Notwithstanding that the Committee has approved plans and specifications, neither the Committee nor any of its members shall be responsible or liable to any Owner, developer, or contractor with respect to any loss, liability, claim, or expense which may arise by reason of such approval of the construction of any improvements. Neither the Board, the Design Review Committee, or any agent thereof shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of the Declaration, nor for any structural or other defects in any work done according to such plans and specifications. In all events the Committee shall be defended and indemnified by the Association in any such suit or proceeding which may arise by reason of the Committee's decision. The Association, however, shall not be obligated to indemnify each member of the Committee to the extent any such member of the Committee shall be adjudged to be liable for gross negligence or willful misconduct in the performance of its duty as a member of the Committee, unless and then only to the extent that the Court in which such action or suit may be brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the cast, such person is fairly and reasonably entitled to indemnification for such expense as such court shall deem proper.

Section 8. Certificate of Compliance. Upon payment of a reasonable fee established from time to time by the Board, and upon written request of arty Owner or its agent, an existing or prospective Mortgagee, or a prospective grantee, the Committee shall issue an acknowledged certificate, in recordable form, setting forth generally whether, to the best of the Committee's knowledge, the Owner is in violation of any of the terms and conditions of the Declaration or other documents of Eagle Bend West Subdivision. Unless such request shall be complied with within 30 days after receipt of the request, it shall be conclusively presumed that the Owner and the Owner's improvements are in conformance with all the terms and conditions subject to the control of the Committee.

ARTICLE XII

RIGHTS AND POWERS OF ASSOCIATION

Section 1. Association's Rights and Powers As Set Forth In Articles and Bylaws. In addition to the rights and powers of the Association set forth in the Declaration, the

Association shall have such rights and powers as are set forth in its Articles and Bylaws or permitted under applicable state law. Such rights and powers, subject to the approval thereof by any agencies or institutions deemed necessary by the Association, may encompass any and all things which a natural person could do or which now or hereafter may be authorized by law, provided such Articles and Bylaws are not inconsistent with the provisions of the Declaration and are necessary, desirable or convenient for effectuating the purposes set forth in the Declaration. After incorporation of the Association, a copy of the Articles and Bylaws of the Association shall be available for inspection at the office of the Association during reasonable business hours.

Section 2. Association's Rights of Enforcement of Provisions of This and Other Instruments. The Association, as the agent and representative of the Owners and Members shall have the right to enforce, by any proceeding at law or in equity, the Covenants set forth in the Declaration and/or any and all covenants, restrictions, reservations, charges, servitudes, assessments, conditions, liens or easements provided for in any contract, deed, declaration or other instrument which (a) shall have been executed pursuant to, or subject to, the provisions of the Declaration, or (b) otherwise shall indicate that the provisions of such instrument were intended to be enforced by the Association. In the event suit is brought or arbitration is instituted or an attorney is retained by the Association to enforce the terms of the Declaration or other document as described in this Section 2 and the Association prevails, the Association shall be entitled to recover, in addition to any other remedy, reimbursement for attorneys' fees, court costs, costs of investigation and other related expenses incurred in connection therewith including but not limited to the Association's administrative costs and fees. Said attorneys' fees, costs and expenses shall be the personal liability of the breaching Owner and shall also be secured by the Assessment Lien against said Owner's Lot. If the Association should fail to act within a reasonable time, any Owner shall have the right to enforce the Covenants set forth in the Declaration.

Section 3. Contracts with Others for Performance of Association's Duties. Subject to the restrictions and limitations contained herein, the Association may enter into contracts and transactions with others to carry out the performance of the Association's Duties.

Section 4. Change of Use of Association Land and Procedure Therefor. Upon (a) adoption of a resolution by the Board stating that in the Board's opinion the then present use of a designated portion of the Association Land or of the Association's interest in other Community Areas is no longer in the best interests of the Owners and Residents and (b) the approval of such resolution by a majority of the votes of the Members who are voting in person or by proxy at a meeting duly called for such purpose, the Board shall have the power and right to change the use thereof (and in connection therewith, construct, reconstruct, alter or change the buildings, structures and improvements thereon in any manner deemed necessary by the Board to accommodate the new use), provided such new

use (i) shall be for the benefit of the Owners and Residents, and (ii) shall be consistent with any deed restrictions (or zoning regulations) restricting or limiting the use of the Association Land. Any construction, reconstruction, alteration or change of the buildings, structures and improvements on Association Land shall require the approval of the Design Review Committee.

ARTICLE XIII

INSURANCE AND FIDELITY BONDS

Section 1. Hazard Insurance. The Association shall at all times maintain in force insurance meeting the following requirements: A “master” or “blanket” type policy of property insurance shall be maintained covering all insurable improvements, if any, on the Association Land and where appropriate on the Community Areas, Water Resources, Offsite Water Features, fixtures, building service equipment, personal property and supplies comprising a part of the Community Areas or owned by the Association and which are of a class typically encumbered by Mortgages held by institutional Mortgage investors, but excluding land, foundations, excavations, and other items normally not covered by such policies. As a minimum, such “master” or “blanket” policy shall afford protection against loss or damage by fire, by other perils normally covered by the standard extended coverage endorsement, and by all other perils which are customarily covered with respect to projects similar to Eagle Bend West Subdivision in construction, location, and use, including (without limitation) all perils normally covered by the standard “all risk” endorsement, where such endorsement is available. Such “master” or “blanket” policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all elements of the Community Area covered by such policy, exclusive of land, foundations, excavation, and other items normally excluded from coverage.

Section 2. Flood Insurance. If any part of the Community Areas comes to be situated in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, a “master” or “blanket” policy of flood insurance shall be maintained covering the improvements located on the Community Areas, and if available on the Water Resources, and Offsite Water Features and any machinery and equipment related thereto (hereinafter “Insurable Property”) in an amount deemed appropriate.

Section 3. Fidelity Bonds. The Association shall at all times maintain in force and pay the premiums for “blanket” fidelity bonds for all officers, Members, and employees of the Association and for all other persons handling or responsible for funds of or administered by the Association. Furthermore, where the Association has delegated some or all of the responsibility for the handling of funds to a Manager, the Manager shall provide “blanket” fidelity bonds, with coverage identical to such bonds required of the Association, for the Manager’s officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Association. The total amount of fidelity bond coverage required shall be based upon the Association’s best business judgment and shall

not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association, or the Manager, as the case may be, at any given time during the term of each bond.

Section 4. Liability Insurance. The Association shall maintain in force, and pay the premium for a policy providing comprehensive general liability insurance coverage covering all of the Community Areas, public ways in Eagle Bend West Subdivision, if any, Water Resources, Offsite Water Features and all other areas of Eagle Bend West Subdivision that are under the Association's supervision. Such coverage shall be for at least One Million Dollars (\$1,000,000) for bodily injury, including deaths of persons, and property damage arising out of a single occurrence. Coverage under such policy shall include, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance, or use of the Community Areas, and legal liability arising out of lawsuits related to employment contracts of the Association. Such policy shall provide that it may not be cancelled or substantially modified, by any party, without at least ten (10) days' prior written notice to the Association.

Section 5. Insurance Trustees and General Requirements Concerning Insurance. Notwithstanding any of the foregoing provisions and requirements relating to property or liability insurance, there may be named as an insured on behalf of the Association, the Association's authorized representative, including any trustee with whom the Association may enter into any Insurance Trust Agreement or any successor to such trustee (each of whom shall be referred to herein as the "Insurance Trustee"), who shall have exclusive authority to negotiate losses under any policy providing such property or liability insurance. Each Owner hereby appoints the Association, or any Insurance Trustee or substitute Insurance Trustee designated by the Association, as his or her attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or any Insurance Trustee, shall receive, hold, or otherwise properly dispose of any proceeds of insurance in trust for the use and benefit of the Owners and their Mortgagees, as their interests may appear.

Each insurance policy maintained, pursuant to the foregoing Sections 1, 2, 3 and 4, shall be written by an insurance carrier which is licensed to transact business in the State of Montana.

Section 6. Lots and Dwelling Units Not Insured by Association. The Association shall have no duty or responsibility to procure or maintain any fire, liability, extended coverage or other insurance covering any Dwelling Unit or any other Improvements located on a Lot with respect to any acts and events occurring thereon. Accordingly, each Owner shall secure and keep in force at all times fire, extended coverage

and other insurance which shall be of a type and in an amount commonly required by private institutional mortgage investors in the area in which the Lot is located.

Section 7. Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the Community Areas and improvements thereon which may have been damaged or destroyed. In addition, such policies shall be reviewed to determine their compliance with the provisions of the Declaration.

ARTICLE XIV

DAMAGE OR DESTRUCTION

Section 1. Association as Attorney in Fact. Each and every Owner hereby irrevocably constitutes and appoints the Association as such Owner's true and lawful attorney-in-fact in such Owner's name, place, and stead for the purpose of dealing with the improvements on the Community Areas upon damage or destruction as provided in this Article or a complete or partial taking as provided in Article XV below. Acceptance by any grantee of a deed or other instrument of conveyance from any Owner shall constitute appointment of the attorney-in-fact as herein provided. As attorney-in-fact, the Association shall have full and complete authorization, right, and power to make, execute, and deliver any contract, assignment, deed, waiver, or other instrument with respect to the interest of any owner which may be necessary or appropriate to exercise the powers granted to the Association as attorney-in-fact. All insurance proceeds shall be payable to the Association except as otherwise provided in the Declaration.

Section 2. Estimate of Damages or Destruction. As soon as practical after an event causing damage to or destruction of any part of the improvements on the Community Areas in Eagle Bend West Subdivision, the Association shall, unless such damage or destruction shall be minor, obtain an estimate or estimates that it deems reliable and complete of the costs of repair and reconstruction of that part of the Community Areas so damaged or destroyed. "Repair and reconstruction" as used in this Article XIV shall mean restoring the damaged or destroyed improvements to substantially the same condition in which they existed prior to the damage or destruction.

Section 3. Repair and Reconstruction. As soon as practical after obtaining estimates, the Association shall diligently pursue to completion the repair and reconstruction of the damaged or destroyed improvements. As attorney-in-fact for the Owners, the Association may take any and all necessary or appropriate action to effect repair and reconstruction, and no consent or other action by any Owner shall be necessary. Assessments of the Association shall not be abated during the period of insurance adjustments and repair and reconstruction.

Section 4. Funds for Repair and Reconstruction. The proceeds received by the Association from any hazard insurance shall be used for the purpose of repair, replacement, and reconstruction. If the proceeds of the insurance are insufficient to pay the estimated or actual cost of such repair and reconstruction, the Association may, pursuant to Article VII, Section 4 above, levy, assess, and collect in advance from all Owners, without the necessity of a special vote of the Owners, a Special Assessment sufficient to provide funds to pay such estimated or actual costs of repair and reconstruction. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair and reconstruction.

Section 5. Disbursement of Funds for Repair and Reconstruction. The insurance proceeds held by the Association and the amounts received from the Special Assessments provided for in Article VII, Section 4 above constitute a fund for the payment of the costs of repair and reconstruction after casualty.
