Subject: Memo to Members: Holiday Wishes - and Thank You!

At this special time of year, a time of faith, hope and thanksgiving, we are grateful that we live, play and find joy in the finest community in the Flathead Valley.

Each year we're delighted when our neighbor elves have worked their magic (from light re-stringing and cold weather corralling from storage) to be sure our sparkling reindeer again brighten the entrance to Eagle Bend West.

These little creatures bring smiles to the faces of residents and visitors alike.

Their appearing each winter reminds us again that community doesn't just happen.

So, we thank you, our members, who through the year have cared about your neighbors. Who have volunteered ideas and time and energy to improve our community. Who have made the work of our Design Review Committee easy by knowing the importance of our design guidelines and discussing with Committee members in advance projects that would change the appearance of your property. And who have taken the time and made the effort to check our Board meeting calendar that continues to be posted on the eaglebendwestmt.us website, and then attend our Board meetings.

We are indeed grateful.

We hope this season of renewal - from Hanukkah and Christmas to the New Year - is wonderful for you and your loved ones. And we wish you a blessed season, and a healthy, happy 2022!
